## Leadership and Team Building through Equine Assisted Learning

Equus Medendi is proud to offer one day Training Events to those Organizations looking for an innovative approach to enhance Leadership Skills and Team Building. The focus of this workshop will be setting up ground activities involving horses to help learn specific skills or achieve educational goals, as defined by the individual organizations.

### A typical agenda includes:

- A visual demonstration of “Equus”, the language of the horse, this activity illustrates body language and silent communication.
- Arena activities that support overcoming obstacles.
- Group activities with horses that provide a unique perspective on Team Work and Leadership.

### A BBQ lunch will be provided

This workshop is held at Buffalo Meadows Ranch at 28225 Live Oak Canyon Rd, Redlands, CA 92373
